

# Painting from scratch

State ID: SC-PVA-V0263

## About this course

### Explore the way paint can achieve different effects

This course will introduce you to the **fundamentals of painting**. You will learn the correct procedure for colour mixing and paint application. Each participant will be taken through a series of exercises to help them acquire the skills for painting. The course will conclude with the production of a still life painting.

### Gain these skills

Topics covered in this course include:

- Colour, colour mixing and matching
- The expressive potential of colour
- Black and white still life - familiarising yourself with basic paint application and manipulation
- Paint a masterpiece - exercise in colour and composition
- Still life painting

### Dress requirements

- Participants must wear enclosed shoes e.g. sneakers or leather type shoes

### You will need to bring

- Apron or oversized shirt
- Own brushes (optional)

## Details

During your course of study, NMTAFE may use a variety of learning practices to ensure you get the best outcome for your learning journey.

This may include online learning, face-to-face classroom, laboratory/workshop delivery, work placement or a

combination of these, depending on which is most appropriate.
