OVERVIEW FOR PARENTS AND STUDENTS

This brochure contains information on courses offered by North Metropolitan TAFE (NMTAFE) as Vocational Education and Training Delivered to Secondary Students (VETDSS).

What is VETDSS?

VETDSS is a program delivered to Year 10, 11 and Year 12 school students as part of the Western Australian Certificate of Education (WACE).

VETDSS courses are specifically chosen to provide students with clear career pathways after high school. VETDSS courses give students practical skills and an understanding of what to expect from the workplace and, once completed, may provide credits towards other nationally recognised qualifications, or lead to employment.

NMTAFE offers a range of courses and pre-apprenticeships as part of our VETDSS programs.

Why choose VETDSS?

- Gain a nationally accredited VET qualification and units of competency while completing your WACE;
- Develop practical, industry specific employability skills;
- Gain an understanding of the world of work, providing you with valuable experience to assist with planning and pursuing your career pathways; and
- Attend a NMTAFE campus one or two days per week to complete your course and participate in your normal school program on the other days.

Eligibility

NMTAFE offers VETDSS courses to all secondary school students throughout the Perth metropolitan area.

To be eligible to apply you must be:

- Completing Year 10, 11 or 12 in 2024.
- An Australian Citizen, Permanent Resident or temporary resident holding one of the following visa types:
 - » holders of a sub-class 309, 444, 785, 790, or 820 visa;
 - » secondary holders of a temporary visa of sub-class 457 or 482 visa;
 - » holders of a Bridging Visa E (subclasses 050 and 051) where the visa holder has made a valid application for a visa of subclass 785 or 790;
 - » Ukraine citizens who are holders of a visa sub-class 449 or 786;
 - » Afghan citizens who are holders of a visa sub-class 449; and
 - » holders of a bridging visa who are eligible to work, and who have made a valid application for a subclass 866.

Fees and charges

Secondary school students undertaking VET courses as part of their secondary education including pre-apprenticeships in schools (PAIS) courses are exempt from tuition, resource and enrolment fees (excludes Fee for Service courses). However depending on the chosen course students may be required to pay incidental fees, obtain a First Aid Certificate from an external Registered Training Organisation such as St John, purchase a uniform, protective equipment, text books or trade equipment/tools.

How to apply for a VETDSS program

Please contact the VET Coordinator at your school for information on how to apply.

Applications for 2024 open Monday 17 July 2023 and close Wednesday 31 August 2023.

Our VET Delivered to Secondary Students courses are extremely competitive, therefore it is recommended you provide as much evidence as possible to support your application. These documents must be uploaded when applying through our online application system.

To complete the application you will need:

- Western Australian Student number (WASN). This can be found on your school report or speak with your school's VET Coordinator;
- Unique Student Identifier (USI) number. If you have not already created an USI then you will need to visit www.usi.gov.au/your-usi/create-usi;
- Year 9, 10 or 11 school report in an electronic format i.e. PDF ('C' grade or above in General Mathematics and English is required for all programs);
- OLNA (Online Literacy and Numeracy Assessment) Report (if applicable);
- Parent/guardian email address and mobile phone number; and
- A Student Statement outlining why you should be selected to participate in the course (please note there is a limit of 1000 characters that can be entered in this section).

The school will be asked to endorse and support the application before the selection program begins. For more information, please contact your school VET coordinator.

For further information regarding our VETDSS program, please contact

E VETDSS@nmtafe.wa.edu.au

GENERAL INFORMATION

NMTAFE is the premier training organisation servicing the inner city and northern metropolitan area of Perth, with campuses in Perth, Mount Lawley, Leederville, East Perth, Nedlands, Joondalup, Clarkson, Balga and Midland.

Attending a VET Delivered to Secondary Students course

You are responsible for your own transport arrangements to and from the NMTAFE campuses.

You are also responsible for ensuring that you attend all scheduled classes, including those that may occur on a school designated pupil free day. Attendance will be recorded and any absences are reported to your school. The school's VET Coordinator will be contacted to discuss the appropriateness of a student continuing if there are repeated absences.

You are required to inform your lecturer in advance if you will be absent from any scheduled classes. Poor attendance may mean withdrawal from the course.

Student responsibilities

As a student attending a VET Delivered to Secondary Students course at NMTAFE, you will have the opportunity to learn in an adult environment with students of all ages and diverse backgrounds.

There is an expectation that when attending classes you will assume a greater responsibility for your own care and safety than may be the case when attending school.

As with all students enrolled at NMTAFE, you are expected to adhere to the [*Student Code of Conduct*](#).

While attending NMTAFE, you are under the supervision of the lecturer taking the class.

You will not be supervised during break times.

You are expected to remain within the college grounds unless you provide your lecturer with written notification from a parent/guardian or the school that you intend to leave the college during break times or earlier than the advertised class finish time.

Work experience

Some courses may involve work practice/experience to support the learning program. Under each course you will find details of any work practice requirements. You will be required to document work practice hours and provide your lecturer with a copy of your logbook. You will be responsible for arranging your own transport to and from the workplace.

What you will need to bring

Under each course you will find a list of items that you will need to bring with you to complete the course.

What you will need to wear

You are not required to wear your school uniform when on campus but you are expected to dress appropriately. Where special or protective clothing and/or footwear is required, it must be worn without exception. If you forget to bring protective clothing you will be excluded from the campus workshops/classes and your school will be informed.

CAMPUSES

Balga

Our Balga campus is a hub of building and construction training where you can specialise in trades including bricklaying, carpentry, electrical, glazing, plumbing, plastering, tiling and craft trades, just to name a few.

You'll learn in contemporary facilities and on state-of-the-art equipment, so you'll graduate with the industry-relevant trades skills.

Balga is also home to lots of our international and migrant students who are learning English skills through the Adult Migrant English Program and the Skills for Education and Employment program.

This lively and diverse campus is also set for an upgrade, with a \$32 million investment into new facilities and buildings as part of the State Government's Rebuilding our TAFEs program.

Clarkson

Our state-of-the-art Clarkson campus is our main facility for trades training in Perth's northern suburbs, with a special focus on pre-apprenticeship courses including bricklaying, plastering, tiling, carpentry, joinery, metal fabrication, electrical trades, and more.

Our dedicated workshops and open spaces for each trade mean you get to train in a real-world environment.

The campus is accessible via bus services from Clarkson train station.

East Perth

Located in the bustling business district, our East Perth campus is close to local cafes, shops and public transport, including the free CAT buses.

Specialising in sustainability and renewable energy, building and construction, mining, surveying, engineering, science and technology training, our East Perth campus is our resources industry precinct. The campus is also home to two of our centres of specialisation, our Mining and Green Skills Training Centres.

Joondalup (Kendrew)

Our Joondalup campus enjoys a tranquil lakeside location, set among the birds, kangaroos and colourful native flora. We are also co-located with ECU, the WA Police Academy and the City of Joondalup in the Joondalup Learning Precinct.

The campus is only a short walk from Joondalup's central business and shopping district, with convenient access to Joondalup bus and train station, connecting you to the city in less than 25 minutes.

Joondalup (McLarty)

Located on McLarty Ave in Joondalup, this campus specialises in health and wellness training.

Featuring a state-of-the-art simulation hospital, the facility gives our enrolled nursing and health students a strong understanding of what it's like to work in a hospital environment. It is fully functional and even has the capability to operate as an independent hospital if required in an emergency.

The campus is conveniently located within a five minute walk from Joondalup train and bus station and Lakeside Joondalup.

Leederville

Located in the heart of Leederville, our campus is close to cafés, restaurants, shops and is just a short walk from the train station.

This campus has a special focus on human services, with training offered in community services, education, early childhood care, aged care, disability services, youth work and mental health.

Our creative music students also learn at this campus in our industry standard professional recording studio and live performance venue with full staging, lighting and sound production. We even host our very own student radio station, BOOM Radio, from this campus.

Midland

Our Midland campus is just five minutes from Midland Station and the central shopping district, surrounded by the Blackadder and Woodbridge creeks in the heart of Perth's Swan Valley region.

The campus is a specialist METRONET Trades Training Centre, providing training to support the specific technical and support skills required for rail car manufacturing and METRONET maintenance.

Midland campus also features purpose built trade workshops, hairdressing salon, an operational nursery, and a conservation and land management site.

Mount Lawley

Mount Lawley campus is conveniently located just a five minute walk from the bustling Beaufort Street café strip and close to public transport.

Known for its focus on health services, our campus features a state-of-the-art simulation hospital. The facility gives our enrolled nursing and health students a strong understanding of what it's like to work in a hospital environment.

CAMPUSES (CONT.)

Perth

Our vibrant Perth campus is located in the heart of the Perth Cultural Centre, adjacent to the Blue Room Theatre, Perth Institute of Contemporary Arts (PICA), Art Gallery of WA, State Library of WA and WA Museum.

Our proximity to the Perth Cultural Centre means our Perth campus is the place to go if you're looking for a career in the creative industries. The central location also makes it a great ideal for our business, finance, English and language courses.
