SIS30115 | Certificate III in Sport and Recreation

Athlete Development Centre

North Metropolitan TAFE established its Athlete Development Centre (ADC) in 2009, and has strong partnerships with the sports industry such as West Coast Eagles, Football West and Basketball WA among others.

We are offering this unique program again in 2019. The Certificate III in Sport and Recreation, along with your WACE, will ensure you are well prepared for entry into either the Diploma of Sport Development (which includes participation in the full time ADC) or the Certificate III and IV in Fitness.

You will cover topics such as:
- Planning and delivering sport and recreation sessions
- Coaching
- Nutrition
- Fitness
- Social media and sports technology
- Coordinating sports competitions and events
- Risk management
- Emergency planning

You must bring/wear:
- Hat, water bottle, closed footwear (joggers), appropriate attire for physical activity, whistle
- Pens, pencils, notebook

Work practice

Not applicable

Eligibility

You must be completing Year 11 or 12 in 2019 and be on track to meet minimum requirements for WACE.

There are no pre-requisites for the course, but ideally you will be completing Physical Education Studies or have previously attained a Certificate II in Sport and Recreation.

Due to the fast paced nature of the course, it is also recommended that you have a minimum 2 years previous and ongoing experience as:
- a player, coach or official in a sporting club; or
- an active member of a gym/fitness centre.

Pathway

Successful completion of this qualification provides you with job role opportunities within fitness centres, sporting grounds or complexes, leisure, aquatic and community recreation centres. In addition, on successful completion of the Certificate III, graduates may transition into the full time SIS40612 Certificate IV in Sport Development/SIS50612 Diploma of Sport Development course.

10297NAT | Certificate II in Applied Languages

You can study the Certificate II in Applied Language in **French, Indonesian, Italian, Japanese or Mandarin.** This course has been designed to encourage oral/aural, as well as written communication and the teachers are generally native speakers, or fluent in the language.

With global trade and the growth of tourism and hospitality throughout the world, an ability to understand and communicate in foreign languages is a great asset to securing employment in these industries.

In terms 1 and 2 you will study language for social situations building on your knowledge from prior study. You’ll further develop Speaking, Listening, Reading and Writing skills together as each skill supports the others and allows more efficient learning. In term 3 you will develop the same skills in relation to workplace activities.

The vocabulary of the workplace is less familiar so it is more effective to build on the language learned for social purposes.
