Welcome message

On behalf of the Governing Council and staff at North Metropolitan TAFE, we are pleased to present the 2018–2020 Strategic Plan. It is an exciting time to be involved in a revitalised and dynamic Western Australian training sector. Building on the past 12 months of realignment and refocus, our Strategic Plan highlights our intention to increase access to high quality and industry relevant training and education in the northern suburbs of Perth.

North Metropolitan TAFE will continue to work with industry, enterprise and key stakeholders to ensure that our training will provide the skills necessary for individuals to enter the workforce, advance in their chosen profession or have the ability to seek a career change.

Recognising the emergence of digital technology in the workforce and the disruption to existing industries, the College will continue to refine and develop its training to ensure our graduates have the 21st century skills needed for their future.

Supporting the WA Government’s Plan for Jobs, the College will continue to promote and deliver training to maximise economic development, workforce productivity and employability for students.

In collaboration with enterprises, the College will provide comprehensive and integrated employment based training solutions for apprentices and trainees throughout the north metropolitan region.

In meeting the strategic goals outlined in this plan, North Metropolitan TAFE will continue on its path of high quality delivery that is met with student satisfaction. The combination of engagement with industry and the community along with a commitment to continuous improvement, will ensure North Metropolitan TAFE evolves as a successful organisation.

Emeritus Professor Bill Louden AM  
Governing Council Chair

Michelle Hoad  
Managing Director
Our vision

Transforming lives; strengthening industry and community

Our values

- Respect
- Integrity
- Student-centred
- Accountability
- Innovation
- Professionalism

Our business

North Metropolitan TAFE (NMT) is a State Government provider of vocational education and training services for the northern region of the Perth metropolitan area. NMT has ten campuses spread amongst 14 local government areas across the greater north and north-eastern parts of Perth, including:

- Clarkson
- Joondalup (Kendrew Cres, McLarty St)
- Leederville, Mt Lawley and Nedlands
- Midland and Balga
- Perth (Northbridge) and East Perth.

We are well positioned to make a difference for each individual, enterprise and the community.

- Over 500 accredited VET courses, across 14 learning areas
- Offer niche higher education qualifications
- Provide tailored short course and enterprise delivery

Our services are shaped by the needs of the individual, but serve the broader agenda of skills to power economic development and community enrichment.

NMT provides access to training, foundation and support skills to empower participation in the community and labour market with a focus on supporting all individual, including the members of our state that may require additional support of access training and education.

By doing our job well – we will nurture aspirations for further education and training, and economic prosperity.

This is a passion we all share - to make a difference to the lives and aspirations of our students, to contribute to the enrichment of community and the sustainability and success of the industries that form the backbone of the Western Australian economy.
Our objectives

At North Metropolitan TAFE, we will nurture:

<table>
<thead>
<tr>
<th>Objective</th>
<th>Actions</th>
</tr>
</thead>
<tbody>
<tr>
<td>Participation</td>
<td>• Build strong relationships with enterprise, industry and community groups</td>
</tr>
<tr>
<td></td>
<td>• Provide a variety of delivery methodologies that will enable individuals and enterprise to engage with training and education at a time and format that suits them</td>
</tr>
<tr>
<td></td>
<td>• Provide academic and personal support services to students through their training journey</td>
</tr>
<tr>
<td>Productivity</td>
<td>• Ensure qualification offerings are relevant to industry career progression</td>
</tr>
<tr>
<td></td>
<td>• Introduce skill sets to align with requirements of emerging industries and innovation</td>
</tr>
<tr>
<td></td>
<td>• Deliver training to an enterprise in a time and format that integrates with their daily operations</td>
</tr>
<tr>
<td>Aspiration</td>
<td>• Provide all students with an individual training and education progression pathway</td>
</tr>
<tr>
<td></td>
<td>• Leverage college facilities to support business start-ups through co-working and learning community spaces</td>
</tr>
<tr>
<td></td>
<td>• Embed 21st Century skills (such as entrepreneurism, critical thinking and STEM application) into all training offerings</td>
</tr>
</tbody>
</table>
Strategic priorities

We will achieve our objectives by:

<table>
<thead>
<tr>
<th>Priority</th>
<th>Key Outcomes</th>
</tr>
</thead>
<tbody>
<tr>
<td>Informing consumers</td>
<td>• Accurate, detailed and industry specific course information, accessible 24 hours a day, 7 days a week</td>
</tr>
<tr>
<td></td>
<td>• Clearly articulated course study/learning pathways</td>
</tr>
<tr>
<td>Providing student centric experiences</td>
<td>• Engaged and enriched student learning experiences, maximizing job outcomes</td>
</tr>
<tr>
<td></td>
<td>• Implementation of the Student Management System, using the enhanced functionality to improve business processes around student management</td>
</tr>
<tr>
<td>Providing quality designed products</td>
<td>• Training delivery designed for specific target market requirements i.e. school leavers, existing workers, enterprise</td>
</tr>
<tr>
<td></td>
<td>• Customised training solutions to meet the needs of enterprise and industry</td>
</tr>
</tbody>
</table>
